

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF UPLAND**

NAME: TOM R. THOMAS

AGE: 53

OCCUPATION: Businessman/Councilmember

I am proud to be a member of the Upland community. My wife Ann and I chose Upland as our home because of the outstanding school district, historic downtown, beautiful Euclid Avenue, San Antonio Community Hospital, our church affiliation and its warm small town atmosphere. It has been a pleasure and a great blessing to be a part of the planning of the future of our city for the past twenty years. With our many involvements and friendships we have developed roots in this area that are both deep and strong.

EDUCATION & COMMUNITY INVOLVEMENT:

University of Nebraska, Business Administration Degree; Upland City Council;
Six Basins Watermaster Board; YMCA Board; Upland Library Board;
Traffic Safety Advisory Committee; Upland Police Foundation;
Main Street Upland Board; Water Facility Authority Board;
Upland Community Foundation; San Antonio Water Company Board;
Tour de Foothills Committee; Upland Sister City Association

I believe in an open and honest City Hall that encourages citizen input. I have the desire, energy, experience and proven leadership ability to continue to guide our city for the next four years. With your vote we can keep our city government responsive, efficient and cost effective.
